

## REMARKS

The Office Action dated April 30, 2007 has been received and carefully noted. The following remarks are submitted as a full and complete response thereto.

Applicants gratefully acknowledge the indication that claims 8-24 are allowed. Claims 1-7 and 25 are respectfully submitted for consideration.

The Office Action rejected claims 1-7 and 25 under 35 U.S.C. 102(a) as being anticipated by the publication "Performance Evaluation of Common Radio Resource Management (CRRM)" to Tolli et al. (*Tolli*). This rejection is respectfully traversed.

Applicants submit that the Antii Tolli is the sole inventor of the present application and author of *Tolli*. Thus, the invention was not by "another" as required under 35 U.S.C. 102(a). As such *Tolli* is not prior art against the present application. Accordingly, withdrawal of the rejection under 35 U.S.C. 102(a) is respectfully requested.

Based on the above, Applicants respectfully submit that each of claims 1-7 and 25 are in condition for allowance. Accordingly, it is respectfully requested that each of claims 1-7 and 25 be allowed, and this application passed to issue.

If for any reason the Examiner determines that the application is not now in condition for allowance, it is respectfully requested that the Examiner contact, by telephone, the applicant's undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this application.

In the event this paper is not being timely filed, the applicant respectfully petitions for an appropriate extension of time. Any fees for such an extension together with any additional fees may be charged to Counsel's Deposit Account 50-2222.

Respectfully submitted,

---
